breath of the way

Does your child have asthma?

**Don't forget about
their medicines this
summer...**

**...it will help them
when they go back
to school.**

*Did you know, children are
more likely to be admitted
to hospital with asthma
related illness in September
than at any other time
of year?*

It is important that they:

- Take their asthma medicines in the right way
- Continue to take their medicines during the school holidays, even if they have no symptoms
